

Wrist Strap/Table Mat Common Point Ground, Low Profile, 10ft Cord

KSLPGCP10

Description

Common point ground cord for two wrist straps and ESD mat. For workstation grounding in a static controlled area. The KSLPGCP10 low profile, 10ft common point ground cord is highly durable and a reliable ground cord. Equipped with 1 x 10mm stud snap, 2 x grounding points via 4mm banana jack sockets, 1 x M5 eyelet and 1 meg-ohm resistor for safety. The low profile, moulded head has a built-in 10mm female snap for a secure work surface attachment.

Specification

- 1 x 10mm stud snap on unit can attach to mat surface.
- 2 x grounding points via 4mm banana jack sockets.
- 1 x M5 eyelet for easy attachment to ESD ground.
- Low profile reduces snagging of clothes and work instruments.
- For secure ground connections for wrist straps.
- **Cord length:** 10ft.
- **Long life:** Made with durable materials for long life.
- **Connector type:** Two banana jacks.
- **Material:** PU/PVC.
- **Resistor:** 1 Meg-Ohm.
- **Colour:** Black.
